By raising \$37.5 Million per year through a guaranteed, local source, Measure P will transform Fresno by allowing us to fund the following improvements:

2. Make our parks green and lush again by repairing irrigation systems using reclaimed water
3. Removing graffiti and reducing homelessness in ALL Fresno parks
4. Repairing and maintaining restrooms in ALL Fresno parks
5. Updating playgrounds and removing safety hazards in ALL Fresno parks
6. Improving access for people with disabilities in ALL Fresno Parks
7. Renovating and maintaining Storyland / Playland at Roeding Park
8. Renovating and maintaining the Fresno Memorial Auditorium to honor our veterans
9. Completing and maintaining new trails in the San Joaquin River Parkway trail system
10. Adding and maintaining 80 miles of new walking and biking trails throughout Fresno
11. Renovating and maintaining sports fields and recreational facilities
12. New parks in neighborhoods where they are needed the most
13. Landscaping and removing debris along local roads and freeways
14. Arts & cultural programming and education
15. Job training for at-risk youth and veterans

The strict accountability and citizen oversight in Measure P will ensure the funding stays local and can only be spent as promised in the measure. The money can't be taken by the state, special interests or politicians for other purposes.
