

the ADA requirement of three-quarters of a mile from the FAX fixed routes. Trips originating in Fresno that end in Clovis are also returned on Handy Ride.

Fares

FAX's fares are structured according to service type, passenger category, and fare media. Senior and Special Rider (disabled) fares and passes require proper identification. The fare structure was modified at the beginning of calendar year 2011 including fare increases and a change in age for the senior fare. The fare structure prior and after the adjustments is shown in Table I-2.
