

City of Fresno Immigrant Affairs Advisory Committee: Mission, Vision and Values

MISSION:

The City of Fresno Immigrant Affairs Advisory Committee advises the City of Fresno's City Council and Mayor's office to promote the well-being and integration of Fresno's diverse community of immigrants, expatriates, asylees and refugees by supporting their civic and cultural integration, while also elevating their unique perspective and personal experiences. Comprised of community stakeholders representing the public and private sector, the Advisory Committee provides the City Council and the Mayor's Office with experience and data driven recommendations on how to foster immigrant community engagement in civic affairs, and improve their quality of life.

VISION:

The City of Fresno Immigrant Affairs Advisory Committee seeks to propose transparent, trauma and culturally-informed recommendations that will inform Fresno's City Council and Mayor's Office of challenges affecting the immigrant community with the goal of cultivating an engaged, connected, resilient and healthy immigrant community and City of Fresno.
